

## Captain's Choice 6.0 MPI

<b>Displacement:</b>	6.0L/366 c.i.d.
<b>Cylinders:</b>	V-8
<b>Rated Power:**</b>	375hp@5000rpm
<b>Fuel System:</b>	Multi-Port EFI
<b>Prop Rotation:</b>	LH
<b>Length:</b>	43.7"
<b>Width:</b>	27.8"
<b>Height:</b>	24.4"
<b>Total Weight:**</b>	990 lbs

*\*Power rated at the crankshaft in accordance with NMMA procedure  
\*\*With 1:1 in-line transmission.*

## Specifications

### Vibration-Free Mounts

- ◆ Precision precompressed adjustable mount
- ◆ Vibration isolators for vibration-free performance
- ◆ Versatile six-way adjustment for trouble-free installation
- ◆ Unique rear mount system provides double support for added stability and strength
- ◆ Self-adjusting to stringer surface

### Multi-Port Fuel Injection

- ◆ Instant starting
- ◆ Precise throttle response
- ◆ Outstanding cruising and top-end performance
- ◆ Increased fuel efficiency

### Engine Management System

- ◆ Knock sensor adjusts for low octane fuel
- ◆ Automatic spark advance provides peak performance in all operating conditions
- ◆ Monitors the vital signs of the lubrication and cooling systems
- ◆ Rev limiter prevents engine damage from overrevving

### Exclusive Fuel Control Cell

- ◆ Eliminates vapor lock
- ◆ Protects EFI system against contaminated fuel
- ◆ Premium, extra large fuel filter/water separator
- ◆ Easy to reach and service

### Distributorless Ignition

- ◆ No points, rotor, condenser or cap
- ◆ Platinum-tipped spark plugs
- ◆ Longer maintenance intervals

### Lubrication System

- ◆ Full pressure full flow filtering system
- ◆ Positive crankcase ventilation

### Cooling System

- ◆ Full freshwater cooling, including elbow and manifold
- ◆ Transmission cooler
- ◆ Automotive-style modular belt-driven brass raw water pump
- ◆ Thermostatically controlled cooling system

### Exhaust System

- ◆ Free breathing exhaust manifold
- ◆ High level exhaust discharge
- ◆ Reversible exhaust riser system

### Electrical System

- ◆ Electronic Ignition
- ◆ 12-volt negative ground system
- ◆ High output 75-amp alternator
- ◆ Overload damage protection by a manual reset circuit breaker
- ◆ Prewired wiring harness with 10-prong disconnect
- ◆ High-torque positive-engagement top-mount marine starter
- ◆ Temperature, oil pressure and voltage sending unit
- ◆ Electrical component moisture cover

### Transmissions Options

- ◆ Fits all available transmission options

### Miscellaneous

- ◆ Owner's and parts manual on CD
- ◆ Engine lifting rings
- ◆ Throttle and shift control brackets
- ◆ Multi-coat non-corrosive paint protection
- ◆ U.S. Coast Guard approved flame arrester

### Warranty

- ◆ 3-year limited warranty
